

Hello to everyone,
It will be a great idea for the most different gift for the people you love. You can knit a toy model that reminds nature. We all love activities such as nature walks, walking in flower fields, picnic organizations on weekends. We participate in these activities with our friends or family at every opportunity. This wonderful toy will become your favorite toy. When we look at the [doll amigurumi](#), we see that it is a great design. Especially

the leaves are really cute. A leaf-shaped skirt is designed. Doll amigurumi [pattern](#) is completely free. The mio [amigurumi](#) pattern is a good choice for beginners as it is very easy to [crochet](#) amigurumi.

Mio has two green leaves on his head. The tiny radish with hands and feet looks so cute. The skirt part of the toy fits very well. The skirt is knitted in leaf shape. This detail adds a lot of air to the toy. After the toy was knitted, her face was made up. You can knit the cute toy as the best gift or a newborn baby gift.

Sew head to the body previously securing it with pins. Sew details by taking loops of the body first, then head, alternately. When we have small hole left, stuff the area between head and body tight enough, so our head don't hang out. Then sew details to the end.

Place legs on the body. Secure them with pins. Sew them to the body.

Place arms on the sides of the body. Secure them with pins. Sew them to the body.
