On every circle do a few stitches using orange yarn to make it look like a cross inside the circle (see picture on page pages 8-10)

Pin the circles to the body and sew them on one by one. Make sure you place them evenly. See picture on pages 10-12.

When you have sewn on all 6 circles to the body take some grey yarn and embroider a few stitches for extra decoration. See pictures on pages 12-14.

Pin the head to the body and sew it on.

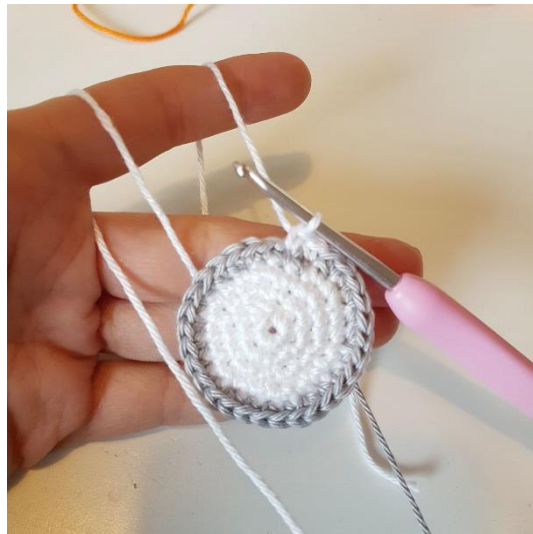

Take a nice piece of string or braid a long string and sew it on the top of the BB-8.

Make it as long as you need depending on how or where you are going to hang your BB-8 😊
